

Respect Life Committee works to instill respect for all human life at all stages and to bring about a conversion of heart and mind for all to be open to God's special gift of life. Respect Life Committee reflects the Church's firm conviction of the dignity of each and every person from the moment of conception until natural death. We seek to challenge and mobilize all members of the Church community to defend the sanctity of human life in the parish and surrounding community through prayer, education, advocacy and works of mercy for women in crisis pregnancies.
