

St. Margaret Mary Student Parish has a rich liturgical life. Active participation by parishioners enhances this experience for us all.

There are many Liturgical Ministries in which parish members can be involved: playing a musical instrument, singing in a choir or cantoring, reading the Word of God, being a Eucharistic Minister, ushering, greeting, decorating the church or being a server at Mass.

We welcome your input and interest in these ministries. No experience is needed and training is provided if necessary. To learn more about a ministry, click on its name (from the column to the left). If you have any questions or would like to participate, please contact by phone or email the person listed on the ministry's page.

In any case, come and celebrate with us!
